CUSTOMISED BEVERAGE DISPENSING INSTALLATION KITS

Create your own installation kit for dispensing beer, soft drinks, or other beverages, or if you prefer, we can advise you on the installation kit that best suits your needs.

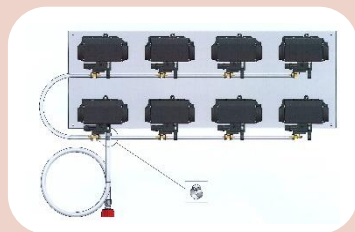

Some elements to create your own installation kit include: Flojet Pumps, Shurflo Pumps, Fluid-O-Tech Pumps, Draining Heads, Refrigerated Cabinets, Filters, Tubes, Connectors... or any other component you may need.

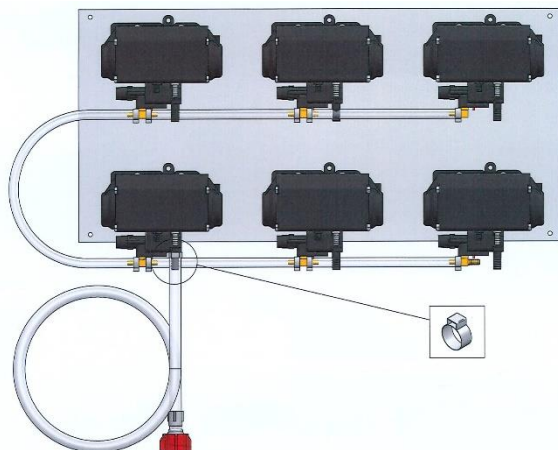

Below, we will show you some examples of pre-made installation kits.
